Please indicate any medical conditions, special needs, allergies or dietary requirements relevant to your child, any medication being taken or anything that would be helpful for leaders to know about:

.....

In the event of illness or accident, having parental responsibility for the above named child, I give permission for first aid to be administered where considered necessary by a first aider, if available, or medical treatment to be administered by a suitably qualified medical practitioner. If I cannot be contacted and my child should require emergency hospital treatment, I authorise an adult leader to sign on my behalf any written form of consent required by hospital. However, I understand that every effort will be made to contact me as soon as possible.

I will inform the leaders of any important changes to my child's health, medication or needs and also of any changes to our address or to any of the phone numbers given above.

In signing this form I give consent for my child to attend the above organisations and any trips associated with them in the 2016/2017 academic year. I also give permission for photographs and videos to be taken of my child and used for church purposes (including social media).
